Broken From Silence

RESTORING WHOLENESS

Bridge Builders

Dear Pastor and Ministry Leader,

Thank you for your desire to shepherd God's people with biblical truth, Christlike compassion, and faithful care.

Abortion has affected more people in our churches than we may realize. Women, men, and families may carry hidden grief, regret, fear, or spiritual wounds—often believing they are alone or beyond forgiveness. Yet Jesus offers mercy, healing, and restoring hope.

Broken from Silence comes alongside churches as they seek to become places where truth is spoken in love, confidentiality is honored, and those impacted by abortion can find compassionate, Christ-centered care.

This kit provides practical resources to help your church:

- Understand abortion's hidden impact.
- Equip pastors and ministry leaders for grace-filled conversations.
- Offer a safe, confidential pathway toward help and healing.
- Take meaningful next steps in prayer, care, discipleship, and restoration.

Our prayer is that your church will be a place where silence is broken, burdens are shared, and lives are restored through Jesus Christ. Scripture calls us to "speak the truth in love" (Ephesians 4:15), to restore gently (Galatians 6:1), and to carry one another's burdens (Galatians 6:2). Thank you for considering how God may use your church to bring truth, hope, and healing to those affected by abortion.

With gratitude and prayer,

Garry & Susan Swafford
