When to use:

REFERRAL GUIDELINES

Before sharing a referral, confirm:

- The person has given permission for the information to be shared.
- The resource is appropriate for the person's need.
- Contact information is current.
- The care contact understands when pastoral oversight should be involved.
- Any urgent concern is handled according to the church's approved procedures.

REVIEW & MAINTENANCE

Person responsible for maintaining this list:
Date list was reviewed: _____
Date for next review: _____

This template supports church planning. It does not replace your church's approved policies, applicable requirements, or qualified professional guidance.
